BOYERTOWN AREA SCHOOL DISTRICT
Technology Usage Fee

Dear Parent or Guardian:

As a component of our student 1:1 device program, the District is continuing with a "Technology Usage Fee". Beginning with the 2019-2020 school year, changes in policy, participation in the technology fee is mandatory, and all students are required to pay the technology usage fee for their school issued 1:1 device. The current "Technology Usage Fee" is $20. Any family participating in the free lunch program does not pay a fee, anyone in the reduced lunch program will have a $10 fee. Families experiencing financial difficulties are encouraged to contact their school office to discuss additional payment options.

Students who damage their device are responsible to pay an additional fee to repair the equipment, which is $30 per occurrence for accidental damage. If the student's damage is not considered accidental the student may be charged full repair or replacement cost of the device. If the device is lost or stolen, a replacement fee of $225 will be charged to the student's account. These fees do not cover the cost of a lost or damaged power cord. Power cord replacements will be charged at the full replacement cost.

Important Note: Lost or stolen Chromebooks will be disabled from use and have no value

Please complete and return the form below **within ten school days** from the first day of school or from your enrollment date. Each student needs to return the attached form

If you have any questions, please contact the school office.

Please complete and return the form below within ten school days from the first day of school or from your enrollment date.
